

## Senator Noland's STIMULUS Help for Not-For-Profits

CMAP has published detailed Economic Recovery Plan Program Descriptions. For each program in the ARRA, this link

<http://www.cmap.illinois.gov/WorkArea/showcontent.aspx?id=14480> provides a description of the program, the likely administering agency, some notes about eligibility and other issues, and an estimate of the amount of funding that will be directed to Illinois. Any not-for profit seeking funding will find these descriptions helpful. Another listing that might identify funding sources for not-for-profit programs is the ARRA grants guidebook. The Speaker of the US House has posted a helpful [guide](#) that is intended for congressmen to customize and then share with ARRA grant seekers and recipients. This lengthy document lists nearly every federal funding opportunity in existence.
